

Facial Cleanser

Skincare Range

Description:

Our Facial Cleanser has Aloe Vera and Glycerin to provide deep hydration, while Glycolic Acid and Salicylic Acid gently exfoliate to clear away impurities and promote a smoother complexion. Enriched with soothing Panthenol and refreshing Menthol, it leaves your skin feeling clean, balanced, and invigorated. Suitable for daily use, this cleanser is designed to purify without stripping the skin's natural moisture, making it ideal for all skin types.

How to use:

Add 3-4 pumps of the cleanser into the palm of the hands, using circular motions then apply to face and neck. Rinse thoroughly with warm water.
