Child Resistant Packaging Test Certificate

Date: 10th June 2016

Client: The Plastic Bottle Company

Product: 10ml PET container with PP push down and turn closure and tamper evident band.

Job Number: PBC/20/5/16/1/365

Report Number: 378

The container described above, which is the subject of report number 378, has been evaluated in accordance with and, when the closure is applied at 70N/cm, complies with the requirements of British Standard BS EN ISO 8317:2015 and is therefore a child resistant container for EU/ISO regulatory purposes.

A handwritten signature in black ink, appearing to read 'Wendy Davies'.
