

THE WORLD'S BEST SELLING SIDE DROP SLIDES

LIGHTER. STRONGER. SAFER. SMARTER.

Australian Patent Number:
2009245888

South African Patent Number:
2010/03634

United States Patent Application
Number: 12/734527

PCT International Patent Application
Number: PCT/AU2008/001555

Designed for specific applications where your Drop Slide is better suited sideways, as the vehicle doesn't have enough depth for a standard Drop Slide to be installed. The Side Drop Slide slides out from its stowed position and lowers a full 30cm in one smooth, safe and easy motion, enabling the platform to remain in a perfectly horizontal position the whole time.

It allows for unrestricted access to your fridge, toolbox and generator at a safe level with ease, before raising the slide in one very light and easy motion back into its stowed position.

- ✓ Compact size, saving valuable storage space in the vehicle
- ✓ No drawer disassembly required to install
- ✓ Designed to smoothly swing out further from the vehicle tailgate to provide easy, convenient access to the fridge contents from both complete sides and front of the fridge
- ✓ 4 sizes available to suit your application
- ✓ Unique lock-in lock-out safety feature
- ✓ Heavy duty 200kg slide runner rating
- ✓ All fixings and tie down straps included
- ✓ Stainless steel & blue anodised aluminium fittings
- ✓ Fridge barriers available to suit

Available from over 450 stockists Australia wide.
